Mr. Aloul –

I have spoken with both City Attorney Therese Skarda and Licensing Manager Eric Hudak.

They reviewed your response below and have indicated that when you spoke with them after your pre-hearing conference on Friday, June 14th, you agreed you would attend the meeting at 375 Jackson on Wednesday June 19th to discuss activity at 1347 University. This was not a mandatory meeting and was being offered as a courtesy to you. It is unfortunate that you were unable to attend.

City Attorney Skarda has asked that you provide your attorneys name and contact information to her and DSI. She is copied on this email. She is concerned because you indicated to Administrative Law Judge LauraSue Schlatter that you were not represented by an attorney, that you would not be obtaining an attorney and were representing yourself.

City Attorney Skarda needs to reach out to your attorney immediately to discuss this matter and clarify the scope of representation and ensure that disclosure is sent to the proper parties so that there is no delay in the July 16th hearing.
