I am appealing this assessment.
I received the clean up letter in Jan. 12th
I then Called in to confirm what needed to be done and by when.
Which I proceeded to remove the snow and ice immediately from
my sidewalk.

The city then,
(which I didn't realize at the time, thought perhaps it had been a nice neighbor)
came out in March after a light snow and within the allowed 24hr period you have to shovel,
and did a plow of only my sidewalk.

Below is my assessment and attached are photos of my walk in both directions.
