

MEMORANDUM OF AGREEMENT
BETWEEN
THE CITY OF SAINT PAUL
AND
PROFESSIONAL EMPLOYEES ASSOCIATION

This MOA is entered into by the City of Saint Paul (hereinafter “City”) and Professional Employees Association (hereinafter “Union”) for the purpose of regrading the following classifications:

Buyer I	Buyer II	Buyer III	Buyer IV
GIS Analyst	Safety Officer	Video Production Assistant	

The City recently competed a market study of approximately 125 job titles. The City completed an RFP process and selected Baker Tilly to complete the market study. As part of their research, Baker Tilly made requests for data from over 20 public peers, including metro-area jurisdictions with whom the city competes directly for talent, and several peer communities throughout the Midwest in terms of population and budget. Data was received from 18 of these jurisdictions. Data from three reputable, published surveys was included to represent the private sector. Evaluations were then made of salary ranges at the minimum, midpoint, and maximum of the range.

Based on the results of the study, determinations were made that the classifications listed above will be regraded.

The parties agree:

- 1) Effective the pay period following City Council approval, the following changes will be made:
 - a.) Buyer I classification will move from the current grade 5 to grade 7.
 - b.) Buyer II classification will move from the current grade 9 to grade 11.
 - c.) Buyer III classification will move from the current grade 13 to grade 15.
 - d.) Buyer IV classification will move from the current grade 16 to grade 18.
 - e.) GIS Analyst classification will move from the current grade 14 to grade 16.
 - f.) Safety Officer classification will move from the current grade 13 to grade 14.
 - g.) Video Production Assistant classification will move from the current grade 8 to grade 12.
- 2) Employees will move to the equivalent step in the new grade, which will result in an increase in the employees’ hourly wage. Grade changes are neither a promotion, nor a change in job function or level of responsibility. Employees are in the same classification at a different grade.
- 3) Employees in these classifications will not have any changes made to the timing of their step movement and/or eligibility for performance pay.
- 4) This MOA will supersede Appendix A in the collective bargaining agreement for the listed classifications indicated above only.
- 5) This MOA sets no precedent.
- 6) This MOA will become effective the last pay period in December, which is December 27, 2025.
