Re: Order to Vacate Application Appeal

To whom it may concern:

I am an elder law advocate with the Legal Advocacy for Older People Project, a project of Southern Minnesota Regional Legal Services. I write on behalf of SMRLS' client, Marilyn J. Dunsmore, a resident of Parkway Gardens who received an Order to Vacate based on the Fire Inspection Correction Notice dated 7/29/2022 that is enclosed with this letter along with the Application for Appeal.

Mrs. Dunsmore is a 73-yr-old woman, residing in unit 410, who has not been able to work for the last 20 years due to her disabilities including arthritis in her knees and hip, fused vertebrae, as well as fibromyalgia. For the former, Mrs. Dunsmore had been prescribed Methadone and Oxycontin, which she took since her injury 20 years ago until April of this year when she attempted to quit outright. Additionally, Mrs. Dunsmore recently was forced to suspend her fibromyalgia treatment due to prescription costs. The combination of her disability, injuries, medications, and subsequent withdrawal made it difficult for Mrs. Dunsmore to appreciate the condition of her unit. Together, these circumstances led to the condition of the apartment noted in the Fire Inspection; however, they do not reflect Mrs. Dunsmore's attempts to bring her unit into compliance with the Fire Code since the initial inspection, nor the further steps she has sought to take since receiving the Notice.

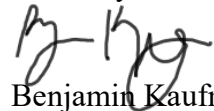

Mrs. Dunsmore's weakened knees, hip, and back slow her efforts to sort through the items giving rise to the code violations, but she has put considerable effort into bringing the unit into compliance. Even prior to the inspection, Mrs. Dunsmore sorted items to be thrown away, donated, or otherwise stored from the large boxes that filled her unit. Mrs. Dunsmore's medication regiment is also more stable, which has allowed her to finish the sorting process. As of the drafting of this letter, she has also been connected with Housecalls. A Housecalls staff member, Diana, agreed that Housecalls will assist her in bringing her unit otherwise into compliance with the identified violations of the fire code. Mrs. Dunsmore's efforts with Housecalls will yield a safe and sanitary unit for which the Order to Vacate will not be necessary. We therefore submit this application of appeal on her behalf.

In filing this application, please let us know the manner of hearing as Mrs. Dunsmore does not have a device that is capable of connecting to the internet. Furthermore, she is preparing for the surgery on the hernia and will be in doctor's appointments next Tuesday, 8/9 which she is unable to reschedule. She has given permission for us to represent her without her presence, but clarification on the scheduling would be greatly appreciated.

We would also ask that the filing fee be waived given that Mrs. Dunsmore's financial circumstances qualify her for our legal assistance.

If you require any additional documentation, please let me know. I can be reached by phone at 651-829-9872 or by email at benjamin.kaufman@smrls.org.

Sincerely,

A handwritten signature in black ink, appearing to read 'B Kaufman', written over the printed name.
