CITY CLERK

I'm writing to inform you, that I am
against giving a liquor license to
this establishment. It's supposed to be a
"COFFEE" shop. There are small
children and teens that are there also.
This COFFEE shop is a nice family
place. To sell beer and wine could
ruin that and bring out the drunks.
I don't think this is right for our
neighborhood.

Sincerely,

Ms. Cheryl Sass
