Employer: Faith to the Nations Dinner Church

Occupation: Executive Director

Why are you interested in serving on a board or committee?

I am concerned for families who are involved in food insecurity. I believe it is an issue that our generation can solve. I have a vision that we can address the needs of the 67,000 food insecure individuals. I want to lift this up as an issue that this city can resolve.

What skills/training or experience do you possess for the committee(s) for which you seek appointment?

I ran a very successful food shelf that averages 25,000 meals a year in Lima, OH. This food shelf is still in operation. We moved to Dayton's Bluff to abolish food insecurity in everyday life. We read the statistics for food deserts and poverty in Saint Paul and wanted to help!
