Good Afternoon,

I am writing this email to express my support of the new business Local Rumor's liquor license application. I have lived across the street for over three years now and have always thought the area would benefit from a restaurant and bar. The restaurant is going to bring more people to the area which also means all of the nearby shops will get more foot traffic. I am excited to see Local Rumor become a community hub bringing neighbors and the community closer together. Thanks for taking the time to read this support letter.
