Subject: RE: License # 20190001176

TO WHOM IT MAY CONCERN:

I object to allow the gambling license to this location because I have observed dozens of individuals/patrons of this establishment lingering/loitering in the front of the location. These groups are loud, obscene and very rude and intimidating. I have observed mild arguments and fortunately without any severe injury. I believe by offering additional licenses it will only increase the number of patrons and possible escalating violence.
