PO will be out of the country on Wednesday and will be gone for 7 months but he still has family residing there. His reason for appeal is that the building is a single family and he should only pay for one 96 gallon cart. He has 2 carts. Per RC and DSI record, it still listed as 2 family dwelling. He said he went down to DSI in 2017 and presented plan to convert to SFD, called to RC numerous times and still no change in status of his property.

He also has a pending assessment not scheduled yet.
