Hi Peg,

We have received several complaints regarding the number of vehicles (2 are school buses) parked at 337 Bates. I talked to Rich Singerhouse to see what history Code Enforcement had on this property. He informed me that they have had complaints for years that this property is an eyesore to the neighborhood. He wrote a summary abatement to the owner last year and the owner appealed to the Legislative Hearing Officer. Since all the vehicles were on approved surfaces and operable, the hearing officer granted the appeal.

Are there any zoning restrictions that might apply to a residential property having that many vehicles parked on it? I'd appreciate it if you would check this out and let me know. Thanks.

Vicki
