I would like to ask the city to put this project on hold for at least another year. The assessments on my property are extreme (almost \$10,000) and with the COVID19 business impact, I am unable to pay this. I also would like to request that the amount for my property be reduced given how extreme it is.

Also, it is unclear how to view the meeting today. I go to the website indicated on the pamphlet mailed to my home and cannot see how to join the meeting later today.

Thank you, Cynthia (Cino) Adelson
