Subject: Variance OK at 1900 block of Fairmount Av.

Dear Mr. Tolbert & Diatta,

It has come to my attention that a neighbor of mine is looking to uphold a variance that was granted. It is my opinion, as a neighbor and who also lives in an older home and is concerned for maintenance of our community aesthetic, that its OK to uphold the already hashed-out plans for the variance. This has been looked at and OK'ed already.

I believe the owner of the Fairmont Av home and adjacent property has the best interest in preserving the architecture of the existing home porch and the neighborhood feel.

I cannot be at the meeting on Wednesday this week, but I wanted my input to be heard.

Thank you for your kind attention,
Rebecca Trost - Sargent Av. St. Paul
