RE: Auto Repair Garage license held by Afterhours Mobile Service, Inc. d.b.a. Twin City Fleet Repair for the premises located at 290 Larch Street

The North End Neighborhood Organization (D6) supports the Department of Safety and Inspections recommendation of an adverse action against all licenses held by Twin City Fleet Repair.

Inspectors noted violations beginning in 2016 and continuing until January 2018. Licenses held by this business was suspended due to non-compliance of conditions. Clearly the owner is unwilling to comply with the conditions of the license and approved site plan.

Because of the continued disregard of conditions, the North End Neighborhood Organization supports the upward departure of the matrix and the imposing of a \$1,000 fine.

Thank-you for your consideration of our recommendation.
