Subject: License Number 20150003053 Dance or Rental Hall

This email is to notify you that I am opposed to issuing a license for a dance or rental hall on Smith Avenue, St. Paul, MN.

The Recommended conditions do NOT state what days of the week the building will be open potentially to 1:00 am the next day?

The Recommended conditions do NOT state when the building will be open, does that include 7 am to 1:00 am the next day?

The Recommended conditions do NOT state where the customers will park during the events and parking space is already stressed by the businesses that exist on the Smith Avenue location..

This is a neighborhood that does not want people who have been drinking alcohol staggering onto their property or driving on the streets or down the alley no matter how the alcohol is distributed to the customers.

Please do not grant 627 Smith Ave south, St. Paul, MN License Number 20150003053 to the neighborhood. Mr. Mahamed should have done a market survey of the neighborhood before he purchased the building. The building has a past history of trouble with these types of events and neighborhood opposition.

Thank you for your time,

Anne O. Facente
628 Ottawa Avenue (behind the building and down the alley)
