Reading Chapter 357, 908 Jefferson Avenue is exempt from requirements of licensing.

908 Jefferson Avenue home/ homeowner recycle.

908 Jefferson Avenue does not participate in recycling for profit of money.

908 Jefferson Avenue is not a business.

908 Jefferson Avenue is home including east privately fenced in curtilage, connected to the home where activities of the home occur.

908 Jefferson Privacy is a privacy that society would grant as reasonable due to the work done by homeowner to repair and build a robust fence to exclude the public including employees of City of Saint Paul, Minnesota.

Mailbox located outside of curtilage of 908 Jefferson Avenue.

No utilities need access to 908 Jefferson Avenue curtilage or property in reading of meters.

Access to 908 Jefferson Avenue private property curtilage is not granted to the public. This policy is enforced since the first day of home purchase to the immediate and future.

These sections of chapter 357 have a strong foundation for exemption of licensing regulation: Chapter 357 City of Saint Paul Code Solid Waste. Section 357.01(a) License Required; Exceptions--Section 357.05 Regulations (a) (f) (1) Responsibility-- Section 357.06 Enforcement (c) Violations--Section 357.09 Mandatory Separation of Recyclable Materials and Compostable Materials (a) (1) (4) (d) (3)-- Section 357.10 Ownership of Recyclable Materials-- Section 357.11 Unauthorized Collection .

Minnesota grants a stronger protection of constitutional rights than Federal protection.cite MN Supreme Court Case of KHAN.

Thankyou
