Subject: 2330 Long Ave Rezoning Comments

Hello Councilmember Henningson,

I live in Ward 4 (948 Cromwell Ave) and would like to express my support for the 2330 Long Ave project and rezoning proposal. I love living in this area and I want more people to be able to live here. To me, this means adding dense, walkable, and mixed-use developments.

Furthermore, I read a Pioneer Press article that mentioned parking concerns of some of my fellow Ward 4 neighbors, and that this development could make things worse. I respectfully disagree. I have never found parking along Raymond difficult. I will continue to visit businesses as parking lots develop into spaces where people can live and work.

Thank you for considering my comments on this matter.

Regards,
