

Immacolata Colosimo, 724 Burr Street, called and said that she cannot make it to the public hearing tonight. She is calling about paying extra money. She does not think it is fair to pay \$242.11. She has a duplex. She does not rent the place. It would cost her \$5,000 to fix it. In the past, people did not pay her rent and then she had to bring people to court and pay a lawyer. She feels she pays enough in taxes.
