Factual basis for violation and request for imposition of \$500.00 matrix penalty:

On March 5, 2025, Licensing Inspector, Allan Vang mailed you a Correction Notice letter. The letter informed you that an inspection took place on February 28, 2025, due to a complaint submitted to the City of Saint Paul Department of Safety and Inspections (DSI). The letter documented a number of violations which were observed:

- 1. License Condition 1:** The on-site dumpster shall be housed in a three-sided enclosure
- 2. License Condition 6 & 14:** All customer and employees' vehicle must be parked in accordance with the approved site plan dated 7/19/2024, there was five (5) vehicles parked out of the approved site plan. Must provide maneuvering space on the property to allow vehicles entering and exiting the site to proceed forward.

3. **License Condition 8 & 9:** There shall be no exterior storage of any sort of materials associated with the business. Vehicle bumpers, hoods, tires, etc., must be removed. Salvaging vehicle parts is forbidden, and all vehicles parked outside must appear to be completed assembled with no major body part missing.
4. **License Condition 11:** Autobody repair and/or autobody spray painting is not permitted. Autobody repair and/or autobody painting advertising on the property, website, and online must be removed.

The letter advised that you were to correct the violations by March 17, 2025, and that failure to correct the violation(s) prior to re-inspection would result in adverse action against your license issued at the location up to and including license revocation.

On April 30, 2025, at 11:10 a.m. Inspector, Allan Vang conducted the re-inspection at Wizards Auto Repair Llc d/b/a Wizards Auto Repair located at 985 Randolph Avenue. Upon arrival Inspector Vang noticed a white box truck was being repaired outside in the parking lot of the premises. Inspector Vang met with Marco Parco, an employee of the license holder. Inspector Vang introduced himself as the Licensing Inspector for the City of Saint Paul Department of Safety and Inspections (DSI). Inspector Vang explained to Marco that he was there to conduct a complaint inspection. Mr. Vang asked Marco if he had any questions and to let the license holder know that he is on site. Marco responded back stating he does not speak or understand English by using a translation application on his phone. With no further questions from Marco, Inspector Vang proceeded with his inspection.

During the inspection Inspector Vang observed and documented a number of violations of the conditions on your license both in his report and with photographs including:

- The exterior and surrounding business property had two (2) vehicles outside in the parking lot. Both vehicles showed to have severe body damage.
- One (1) vehicle that was not parked according to the approved site plan dated 7/19/2025.
- Two (2) vehicles parked on the public right-of-way. Auto parts, auto body part, and rubbish was stored outside on the property and inside the enclosed wood fence where the dumpster is located.

Inspector Vang continued his inspection into the inside of the business where he noticed additional violations including:

- a vehicle that was in the process of auto body repair. Inspector Vang asked Marco if they are doing auto body repair on the front end of the vehicle. Marco nodded his head and indicated "yes". It appeared that the auto body repair work was on the radiator support and hood replacement.

Marco was able to get a hold of the license holder Moe (Mohamed) on the phone. Inspector Vang explained the reason for why he was there. Inspector Vang also left a copy of the approved site plan and license conditions with Marco per Moe's request. With no further questions from Moe or Marco, Inspector Vang exited the property.

License Conditions Violated:

- 1. License Condition 1:** The on-site dumpster shall be housed in a three-sided enclosure
- 2. License Condition 6 & 14:** All customer and employees' vehicle must be parked in accordance with the approved site plan dated 7/19/2024, there was five (5) vehicles parked out of the approved site plan. Must provide maneuvering space on the property to allow vehicles entering and exiting the site to proceed forward.
- 3. License Condition 8 & 9:** There shall be no exterior storage of any sort of materials associated with the business. Vehicle bumpers, hoods, tires, etc., must be removed. Salvaging vehicle parts is forbidden, and all vehicles parked outside must appear to be completed assembled with no major body part missing.
- 4. License Condition 11:** Autobody repair and/or autobody spray painting is not permitted. Autobody repair and/or autobody painting advertising on the property, website, and online must be removed.

Adverse Action Recommendation:

The Department of Safety and Inspections will recommend a \$500.00 matrix penalty for violating Saint Paul Legislative Code § 310.01, and §423.01(b). As well as violations of the following licensing conditions: 1, 6, 14, 8, 9, and 11.

You have four (4) options to proceed:

1. If you do not contest the imposition of the proposed adverse action, you may do nothing. If I have not heard from you by **May 27, 2025**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Consent agenda for imposition of the \$500 matrix penalty.

2. You can pay the \$500 matrix penalty which is an admission of the violation. If this is your choice, you should make payment directly to the Department of Safety and Inspections, at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **May 27, 2025**, please contact the Department immediately.
3. If you wish to admit the facts but you contest the \$500 matrix penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a Council hearing no later than **May 27, 2025**, the matter will then be scheduled before the City Council to determine whether to impose the \$500 matrix penalty. You will have an opportunity to appear before the Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge (ALJ). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **May 27, 2025**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to request that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code § 310.03 (k).

If you have not contacted me by May 27, 2025, I will assume that you do not contest the imposition of the \$500 matrix penalty. In that case, the matter will be placed on the City Council Consent Agenda for approval of the recommended penalty.

If you have questions about these options, please contact my Paralegal Riddhi Mistry at riddhi.mistry@ci.stpaul.mn.us , (651) 266-8835.

Sincerely,

/s/
