Subject: Assessment at 1579 Margaret Street

Hello Mr. Hoang,

You came to a hearing on November 20 to appeal your clean up assessment. The hearing officer recommends continuing the matter to June 5 and if there are no same or similar violations, she will reduce the fee in half. However, after review of the appeal, she had amend her recommendation to delete the assessment due to some unnecessary language in the summary abatement order.

If you don't wish to contest to this recommendation, there is no need to attend the public hearing on January 9 at 3:30 p.m. in Room 300, noting the matter is not going to continue to June 5.
