Good afternoon,

I received a notice of an assessment against my property in the amount of \$421.95. I was the victim of a crime where someone broke into my house, attacked me and raped me. While I was at the hospital for the mandatory exam, the St Paul Police authorized someone to come and board up my window. I arrived home to find that it was being finished. When I asked about how this was to be paid for, the policeman assured me that I would not have to pay. All that was required was to cut a piece of plywood and nail it to the space around the window, something I could easily have done myself. I strenuously object to being billed for this at this time. If you would like to talk with me, you can reach me at 651-647-1674. You can reply to me by email at sally.hart1@gmail.com. I look forward to hearing from you about how this matter will be resolved. Thank you very much, Sally Hart
