**Subject:** Public Comment re: Agenda Item ABZA-20-6

Dear City Council Members,

I am writing to comment on item ABZA-20-6 on the October 28, 2020, City Council Agenda – public comment regarding the Public hearing to consider the appeal of Michael Buelow to a decision of the Board of Zoning Appeals (BZA) denying two variance requests for lot coverage and rear yard setback at 1493 Highland Pkwy.

I live directly across the alley from the property in question, and I previously signed the variance application in support of both variance requests.

After additional consideration, I continue to support the variance request pertaining to Section 66.232 of the Saint Paul Legislative Code, maximum lot coverage requirements.

However, I no longer support the request for the variance from Section 66.231 of the Saint Paul Legislative Code, the 25-foot rear yard setback.

Thank you for your consideration.
