You don't often get email from alex.ubbelohde@patagonia.com. [Learn why this is important](#)

Hello,

I am the General Manager at Patagonia, located at 1648 Grand Ave. With our proximity to Macalester College, we have heard about their construction plans (zoning case #24-095-844) and are in total support of what they are proposing. Currently, the north side of Grand Ave across from our store is under utilized and having a prominent mixed use building would help attract people to our store.

I appreciate your time,

Sincerely,
Alex Ubbelohde
