I have been dealing with getting this guys account straightened out for several months.

According to our records when he moved in the old owner had a 64 gal trash cart. So that is what we set him up with. But apparently because of the way everyone in his alley puts their carts he ended up with a 32 gal trash cart. He first called us in July when he got his first bill from us and stated that he had a 32 gal trash cart – unfortunately it has taken this long to verify the size.

Either he didn't have the cart out or the driver forgot to call in. I gave him a serial number and he gave me one. – It was finally determined that the cart is a 32 gal.

So please remove \$49.05 from the balance of \$179.69 that we sent for 3rd Qtr Certification - new amount is \$130.64

Remove \$29.13 from the balance of \$109.11 that we sent for 4th Qtr Certification – new amount is \$79.98

Thanks
