Burnsville, MN 55337

Dear Mr. Hauck:

This is to confirm that our office has received your application for a variance from the city's noise ordinance and that it is being processed.

The Department of Safety and Inspections has recommended that a variance be issued to use various construction equipment for site demolition/construction of 46 – 5<sup>th</sup> Street East. PCL requests to operate between the hours of 7:00 a.m. and 10:00 p.m. However, the Department of Safety and Inspections recommends the use of jack hammers, pile driving and similarly loud activities should be limited to the hours of 7:00 a.m. to 5:00 p.m. from August 22, 2013 to April 1, 2014. The recommendation is to use best practical methods to control the sound level.

A public hearing on your request for a variance has been scheduled for **August 21, 2013, 5:30 p.m.**, Third Floor, City Council Chambers, at the Saint Paul City Hall/Ramsey County Courthouse, 15 Kellogg Boulevard W., Saint Paul, Minnesota.

You may wish to be present at this hearing to answer any questions that the City Council might have. After the public hearing, the Council may grant, deny, or modify the variance request. **If you have any questions, you can reach Peter Kishel, Environmental Health Specialist, at 651-266-9133, or e-mail him at [peter.kishel@ci.stpaul.mn.us](mailto:peter.kishel@ci.stpaul.mn.us)**

Sincerely,

Natasha Howard
