Hello,

My name is Sarah Lippert and I'm a Saint Paul resident. My council member is Mitra Nelson. I'm just calling to voice my concern for a proposed bike lane on Wabasha. It's been pointed out to me that it could interfere with band parking for the Amsterdam bar. Please consider the impact on local businesses downtown! I like to go to there to see live music and it would be a shame to interfere with one of the few establishments that draws people downtown.

Thanks

Sarah Lippert
