Re: Appeal for property at 1070 Marion Street  
File ID: ALH 11-412

Dear Mr. Johnson:

This is to confirm that on March 22, 2011 at the Property Code Hearing, Marcia Moermond, the Legislative Hearing Officer recommended granting a 7-inch variance on the openable height of the egress window in the rear bedroom and granting a 3-inch variance on the openable height of the egress window in the second floor unit (kid's room). As for the front bedroom measuring 31 inches high by 15 inches wide, you stated that the window was already replaced and; therefore, the Order is withdrawn.

If you have further questions, please contact me at 651-266-8563.

Sincerely,

Mai Vang  
Legislative Hearing Coordinator
