04/24/2002	<u>02 113216</u>	Closed	CS - CSO Complaint - License - Complaint	Complainant was directed by councilmember to call our number in order to get an investigation of Sweeney's saloon going. On Jan. 12th of this year a man was "overserved" alcohol at Sweeney's at 96 N. Dale St. This occurred after he had already gotten drunk from drinking at a hockey game. Upon leaving the bar, the individual noticed he had a

parking ticket and went on a rampage, eventually breaking down complainant's front door at a nearby home at 627 Ashland. Complainant believes the bar is responsible. A police report has been filed and complainant says Christine Rozak at LIEP does have a copy of this report. He would like a formal investigation into the bar to begin. He would like feedback on what is being done given to either he or his wife at 651-227-1839. His name is Chris Yerkes; his wife is Elizabeth Gladhall. 8/9/02: Complaint to go to Kris - Caller stated there was no "doorman" present last evening (8/8). People were urinating in bushes.
