Subject: RE: Republic Services - More Info Needed for 10/3 Legislative Hearing

Hello

2189 Sargent Ave:

- Dispute: "Billing was an error on Republic's part to begin with, never owed this amount! Republic corrected error on April 5. We now have a CREDIT balance. See pdf of July invoice."
A: The acct has a credit of \$57.31
- Please see attachment. **Why is Republic billing him for 1 64-g and 1 35-g weekly? This is a SF home with 1 35-g weekly cart.**
A: Robert Collet called on 04/19/19 to change container size from 32gal to 64gal
- The property owner already paid \$70.34 on 4/19/19. The City is removing the assessment of \$177.59.
A: Yes remove the assessment of \$177.59
- **What is needed from RS: Please make sure account is corrected to 1 35-g weekly. Please make sure all of the credits are applied CORRECTLY.**
A: I spoke with Robert Collett want to keep 64gal on site

61 Delos St W:

- Dispute: "The company does not pick up I having paying another company"
A: Yes we never pick up trash at this location and she does not have republic carts on site , she has commercial container from Walters or Waste Management Green can.
What is needed from RS: Provide proof/statement that garbage was collected during Q2 2019. Please double check to see if there were any misses
A: there is not a proof/statement that garbage was collected during Q2 we never service this property, I will credit the amount of \$980.53, please Remove all the assessments

245 Morton St W:

- Dispute: "Jean reported that she never received a notice at the beginning stating that they are the new assigned hauler, and Jean stated that she never received a bill to her correct mailing address. Jean reported that the bill was sent to the service address and not their mailing

address and when Jean called the RS CSR stated that it was not their fault, the city is forcing them to send the bills to these address.”

A: If she never received a notice at the beginning stating the new assigned hauler, that was the city responsibility to inform the residents of city of Saint Paul

I don't see any note said mail was returned or she called to complain about not receiving bill, for the bill address this what we have on system 1202 Edgumbe Rd Saint Paul MN 55105-2907

- **What is needed from RS:**

- **Please stop lying to residents. The City provided Republic with correct mailing information. Republic screwed up their billing. Do not blame the City for this.**

A: we are not lying to residents. We are recording exactly what is on Hauler

Update Master List, and we do not blame the city for our mistake

- **Please correct the billing address to the primary tax address to 1202 Edgumbe Rd St Paul, MN 55105-2907.**

A: we have the correct billing address on system

- **The City is taking this assessment of \$7.36 out of Republic's payment.**

A: No do not take this assessment of \$7.36 out of Republic's payment, he didn't paid

2137 Berkeley Ave:

- Dispute: “The resident has paid the Q2 bill twice over. The first payment to RS during the second quarter was processed on 04/23/19 for \$61.33 and the second payment was processed on 05/29/19 for \$64.40. The resident will not be attending as they have provided proof of payment which shows the Q2 bill was referred to the city in error.”

A: we received both payment, I request refund since we assessed to the city but I stop the refund process

- The property owner paid \$125.73 total for Q2 2019. The property owner only has 1 64-g cart.

A: there was 2 accts opened by error, we closed one acct # 6228472

- **What is needed from RS: Please credit property owner for amount overpaid. If he did not have any extra charges on the Q2 2019 bill, he is owed a credit of \$29.65.**

A: Yes we will credit that amount, we will make sure there is not extra charges on the Q2 bill

- **Please review and ensure that all payments have been reflected.**

A: I will review that with our collection team

Again, I need this information back within 48 hours. Please respond by 1 pm on 9/26/19 with the requested information.
