

Mr. Thune,

I am writing you because I am unable to attend the public hearing on Wednesday 10/5/11 regarding the Mazatlan Bar on the Westside.

I fully support the Dept. of Safety and Inspections recommendations to revoke all licenses and permits for the Mazatlan Bar located at 567 Stryker on the Westside. As a resident of the Westside, I strongly urge to the City Council to follow the recommendations of the Dept. of Safety and inspections.

Thank you for your time.

Sincerely,
Erik Barsness
