**12/17/2024:** \* Confirm by Insp - Sean Westenhofer - 12-4-2024 - On site with SPPD, owner was told to remove all vehicles not registered to the property. Owner was towing a vehicle upon arrival. We removed some trash & scrap material from the back/rear yards. **After an hour of waiting** and **only able to do 30 minutes of work** we explained to the owner we'd be back in 1 week to finish out the cleanup. SW

First Hour = \$450

1 hour 30 minutes = \$450 – because we had to use the skid steer.
