NOTICE OF INTENT TO DENY LICENSE

ARRC Enterprise, LLC
d/b/a Stress Less Towing Powered by ARRC
118 Acker Street East
Saint Paul, MN 55117-5509

RE: Tow Truck/Wrecker (Operator) and Tow Truck/Wrecker (Vehicle) licenses held by ARRC Enterprise, LLC, d/b/a Stress Less Towing Powered by ARRC for the premises located at 118 Acker Street in Saint Paul
License ID #: 20230000508

Dear Applicant:

The Department of Safety and Inspections will recommend denial of the Tow Truck/Wrecker (Operator) and Tow Truck/Wrecker (Vehicle) licenses held by ARRC Enterprise, LLC, d/b/a Stress Less Towing Powered by ARRC ("Licensee") for the premises located at 118 Acker Street East in Saint Paul ("Licensed Premises").

Legal Basis for Adverse Action:

Saint Paul Legislative Code §310.01, defines Adverse Action as:

"the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee or applicant for a license. "Adverse action" includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. "Adverse action" also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license."

Saint Paul Legislative Code §310.02(1)(b) requires that new license applications be investigated and reviewed stating:

"The Director will determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minnesota Statutes, chapter 364, and is otherwise available by law."

Saint Paul Legislative Code §361.02 states:

“No person shall provide any wrecker or tow truck service as described in section 361.01 nor shall any person permit such service vehicles to be kept or maintained in the City of Saint Paul without being licensed under this chapter.

Saint Paul Legislative Code §361.18 (5) sets forth causes for license denial:

Sec. 361.18. – Denial, suspension and revocation

Any license under this chapter may be denied, suspended, revoked or renewal refused for any one (1) or more of the following causes:

(5) Failure to comply with any provision of this chapter.

Adverse Action Recommendation:

Because you have been notified a number of times that your license application was insufficient and you were given multiple chances to provide the information that led to the deficiencies, the Department of Safety and Inspections will recommend denial of the Tow Truck/Wrecker (Operator) and Tow Truck/Wrecker (Vehicle) licenses based on violation to Saint Paul Legislative Code §310.02(1)(b).

Factual basis for denial of Tow Truck/Wrecker (Operator) and Tow Truck/Wrecker (Vehicle) licenses:

On March 27, 2023, you submitted a Class “N” License Application for a Tow Truck/Wrecker (Operator) and a Tow Truck/Wrecker (Vehicle) license. On May 24, 2023 you received an email from DSI Inspector Vang stating the in order to complete processing your application he would need the following two documents:

1. A copy of your lease
2. A letter or email stating the address of your business and what type of security do you have on the property

On May 30, 2023, you received a second (2nd) email from Inspector Vang concerning possible relocation of your business. Inspector Vang informed you that if you were to relocate your business you would need to start a whole new application and go through the process all over again.

On June 21, 2023, you received a third (3rd) email from Inspector Vang with an Attached Request for Withdraw/Request for Refund and stating DSI would need something in writing from you if you are choosing to withdraw your license application.

On July 6, 2023, you were sent an email from DSI Inspector Voyda and two (2) letters from Inspector Vang sent to the licensed premises and your home address. The email and letters informed you that your time had elapsed to submit a property lease or proof of ownership and a letter stating location and security of the lot for the application that you submitted.

Inspector Voyda and Inspector Vang both stated that you had two (2) options regarding your pending license application:

1. You may complete an attached fillable PDF request to withdraw form and hand-deliver the completed document to DSI located at 375 Jackson Street, Suite 220, Saint Paul, MN 55101. You could also mail the form back to the address above or email the completed form to either joseph.voyda@ci.stpaul.mn.us or allan.vang@ci.stpaul.mn.us
2. Do nothing and DSI will forward your application to the City Attorney's Office for adverse action which would be license denial.

The email and letters both stated that if you failed to take appropriate action in this matter by July 17, 2023, the Department of Safety and Inspections will recommend that adverse action be taken to deny your license application.

As of today, the Department of Safety and Inspections has not received the information requested in order to continue processing your license application.

You have five (5) options on how to proceed:

1. If I have not heard from you by **September 5, 2023**, I will presume that you have chosen not to contest the proposed adverse action and the matter will be placed on the City Council Agenda for approval of the proposed remedy and denial of you license application.

2. Submit the required information requested to the Department of Safety and Inspections (DSI) located at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **September 5, 2023**. A self-addressed envelope is enclosed for your convenience.
3. If you wish to admit the facts but you contest the penalty, you may have a hearing before the Saint Paul City Council. You will need to send me a letter with a statement admitting to the facts and requesting a Council hearing no later than **September 5, 2023**. The matter will then be scheduled before the City Council to determine whether to deny your Tow Truck/Wrecker (Operator) and Tow Truck/Wrecker (Vehicle) licenses. You will have an opportunity to appear before the City Council and make a statement on your own behalf.
4. If you dispute the facts outlined above, you may request a hearing before an Administrative Law Judge ("ALJ"). You will need to send me a letter disputing the facts and requesting an administrative hearing no later than **September 5, 2023**. At that hearing both you and the City will appear and present witnesses, evidence and cross-examine each other's witnesses. After receipt of the ALJ's report (usually within 30 days), a hearing will need to be scheduled before the City Council. At that time, the City Council will decide whether to adopt, modify or reject the ALJ's report and recommendation.

Please note: If you choose an administrative hearing, the Department of Safety and Inspections reserves the right to recommend that City Council impose the costs of the administrative hearing per Saint Paul Legislative Code §310.03 (k).

5. You can withdraw your Auto Repair Garage license application. Complete and return the attached REQUEST TO WITHDRAW REQUEST FOR REFUND form to the Department of Safety and Inspections (DSI), located at 375 Jackson Street, Ste. 220, St. Paul, Minnesota 55101-1806 no later than **September 5, 2023**. A self-address envelope is enclosed for your convenience.

If you have not contacted me by September 5, 2023, I will assume that you do not contest the denial of your Tow Truck/Wrecker (Operator) and Tow Truck/Wrecker (Vehicle) licenses. In that case, the matter will be placed on the next available City Council Consent Agenda for approval of the recommended penalty.

If you have questions about these options, please contact my Legal Assistant, Julie Kraus at (651) 266-8776.

RESOLVED, that the Council of the City of Saint Paul does ordain:

SECTION 2

Chapter 310.01 of the Saint Paul Legislative Code is hereby amended as follows:

Chapter 310. Uniform License Procedures

The procedures in this chapter are meant to govern the issuance of all licenses and certain permits in the City of Saint Paul unless a different process is required by statute. The requirements laid out in this chapter are meant to supersede all requirements laid out in ordinance related to Applications for the Grant or Issuance of a License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections, and Renewal Procedures.

Sec. 310.01. Definitions.

For the purposes of this chapter, any chapter of the Legislative Code pertaining to licenses as hereinafter mentioned, and subsequently enacted ordinances establishing or relating to the requirements for Class R, for routinely issued licenses, Class T for temporary licenses and Class N for licenses in which neighbors are required to be notified, under authority of the City of Saint Paul, the terms defined in this section will have the following meanings:

Adverse action means the revocation or suspension of a license, the imposition of conditions upon a license, the denial of an application for the grant, issuance or renewal of a license, the imposition of a fine, the assessment of the costs of a contested hearing, and any other disciplinary or unfavorable action taken with respect to a license, licensee, or applicant for a license. "Adverse action" includes any of the foregoing directed at one (1) or more licenses held by a licensee at any location in the city. "Adverse action" also includes disapproval of licenses issued by the state under statutory provisions which permit the governing body to disapprove the issuance of the license.

Bond means a bond meeting the requirements of section 310.05 and indemnifying the city against all claims, judgments or suits caused by, resulting from or in connection with any licensed business, activity, premises, thing, facility, occurrence or otherwise under these chapters.

Building official means the official in the department of safety and inspections charged with the responsibility of enforcement of the building code.

Chapters and these chapters mean this uniform license ordinance, any chapter of the Legislative Code pertaining to licenses as hereinafter mentioned, and subsequently enacted ordinances establishing or relating to the requirements for class R, class T, and class N licenses under authority of the city.

Class R licenses means those licenses and certain permits which can be issued by the Director without council approval if no conditions are imposed upon the license and which do not require a hearing if there is an objection. Class R Licenses follow the Procedures for Application for the Grant or Issuance of a License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections, and Renewal Procedures laid out in Section 310.02(1). The following licenses are so classified, and the numbers shown opposite them correspond to the chapters in the Legislative Code pertaining to each license:

SECTION 3

Section 310.04 is hereby renumbered 310.02 and amended as follows to enumerate Uniform Procedures for Application for the Grant or Issuance of the License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections and Renewal Procedures by License Type:

Sec. 310.02. - Uniform Procedures for Application for the Grant or Issuance of the License, New Application Investigation and Review, Application Denial, Notice, Levels of Approval, Objections and Renewal Procedures by License Type.

1) Class R Licenses.

(a) Application.

1. *Form.* All applicants for a Class R License issued pursuant to these chapters must make both original and renewal applications to the Director on such forms as are provided by the Department. Such applications will not be received by the Director until the Director deems the application meets the substantially complete criteria. Subsequently, issuance of a license cannot occur until insurance policies, 01s, deposits, sureties, and indemnifications or certificates required by these chapters, together with the certification required in paragraph 2 below, are received and approved.
2. *Taxes.* No applicant will be granted a License or a renewal of a License required by the Saint Paul Legislative Code unless, in addition to any other requirements, rules or ordinances heretofore or hereafter required, the Director determines that said Applicant has paid all taxes, real or personal, before said taxes become delinquent, on any property, real or personal, situated within the City of Saint Paul and used in connection with the business operated under said License.
3. Notwithstanding the previous paragraph, the Council or the Director may issue or renew a License if it is found that:
 - (a) The applicant has made an agreement satisfactory to the Ramsey County Attorney to pay delinquent taxes in periodic installments;
 - (b) The applicant has properly commenced a proceeding to contest the amount of tax due or the valuation of their property, and has made all partial payments required by law in connection with such proceeding; or
 - (c) The business property with respect to which taxes are delinquent is not owned by the applicant, but by a lessor, and it would be inequitable to require the lessee to pay such taxes.

If a License is issued or renewed because of the existence of an agreement as described in subsection (a) above, the license may be revoked if the licensee defaults upon such agreement.

4. *Additional information.* The Director will prescribe the information required to be submitted by each applicant in their application, in addition to that required by specific sections in these chapters, as may be necessary to carry out and enforce any provision hereunder. The Director will require in every case the applicant to submit their name; business or corporate name; names of partners, officers, directors, shareholders, or trustees involved in the business; age; address; description or blueprint of the premises, if any, and the owner thereof, and locations and addresses of other business locations in Minnesota.
 5. *No reapplication within one (1) year after denial or revocation.* Unless an applicant is claiming evidence of rehabilitation as outlined in Minnesota Statute 364.03, subd. 3, no applicant may apply for any license within one (1) year of the denial or revocation of the same or similar license by the city council, if such denial or revocation was based solely or partially upon misconduct or unfitness of the applicant, evidence of violations of law involving licensed premises, evidence that the applicant had been involved in the operation of a nuisance, or fraud or deception in the license application. A license is "similar," within the meaning of this paragraph, if the basis upon which the revocation or denial of the original license was made would have been a relevant basis on which to deny or revoke a license of the type subsequently applied for.
 6. *Reapplication after denial; "interest" of applicant in revoked license.* An application by a person having an interest in, or whose shareholders or officers have an interest in, any premises or enterprise whose license has been revoked or to which a license has been denied will be treated as an application by the person whose license was denied or revoked. The term "interest," as used in this paragraph, includes any pecuniary interest in the ownership, operation, management or profits of an establishment, but does not include: bona fide loans; bona fide rental agreements; bona fide open accounts or other obligations held with or without security arising out of the ordinary and regular course of business of selling or leasing merchandise, fixtures or supplies to such establishment; an interest in a corporation owning or operating a hotel but having at least one hundred fifty (150) or more rental units holding a license in conjunction therewith; or ten (10) percent or less interest in any other corporation holding a license.
 7. *Prohibition on reapplication; exception.* The prohibition on reapplication herein provided will not apply in cases where it is otherwise expressly provided by statute or ordinance.
- (b) *New Application Investigation and Review.* The Director will determine the sufficiency and accuracy of each new application and obtain such criminal history information as may be used under Minnesota Statutes, chapter 364, and is otherwise available by law. The Director will make reasonable and appropriate investigation of the premises or personal property, vehicles, or facilities, involved in or related to the licensed activity, and will request, where appropriate, the assistance of DSI divisions and other city divisions or departments in making additional investigations for the purpose of determining whether the applicant is or will be in compliance with all applicable ordinances and statutes. The approval of such other divisions or departments is not

required for issuance of a license unless otherwise required by specific sections in these chapters. All new applications will be reviewed by the Zoning Administrator or their designee for compliance with all requirements of the Saint Paul Zoning Code, and no new License will be granted without full compliance with said requirements. All new applications involving a premise, location, building or structure will be reviewed by the Building Official or their designee for investigation and recommendation.

(c) Application Denial

1. Denial of a Class R License application is adverse action and the procedures for notice and hearing outlined in Saint Paul Legislative Code Section 310.03 must be followed.

(d) Notice.

1. Upon verification that an application for a Class R License is substantially complete, the notification requirements outlined in ENS Chapter A-11(11)(c) must be followed and the required ENS notice must be provided within two (2) public business days.

(e) Levels of Approval:

1. Approval recommended without conditions. Where an application for the grant, issuance or renewal of a Class R License meets all the requirements of law, and there exists no grounds for denial, revocation or suspension of, or the imposition of conditions upon, such license, the Director must grant, issue, or renew said license in accordance with the application.
2. Approval recommended with conditions. If upon review of an application for the grant, issuance, or renewal of a Class R License the Director determines that there exist grounds for imposition of conditions, the Director must provide the applicant or licensee notice and an opportunity to be heard in accordance with Section 310.03.
3. If the prospective licensee does not object to the proposed conditions, the Director will request that the matter be placed on the council consent agenda. The Director shall notify the prospective licensee.
4. If the prospective licensee objects to the conditions proposed by the Director, the Director must follow the hearing procedures outlined in Saint Paul Legislative Code Section 310.03 and refer the matter to a hearing examiner.
5. Revocation or suspension. If the Director determines that the renewal application for the renewal of a license does not meet all of the requirements of law or that there exist grounds for revocation or suspension of a Class R License the Director will follow the hearing procedures as outlined in Saint Paul Legislative Code Section 310.03.
