RE: License Application for Lilla & La Femme LLC, doing business as Cafe Lilla, ID # 20190003166, Located at 1110 Payne Ave / **Wine On Sale, Malt On Sale (Strong), and Entertainment (A)**

Dear Applicant:

Our review of your application for a license is in process. Notification has been sent to the community organization and neighbors for the area in which you intend to operate giving them until **Friday, November 29, 2019** to voice any objections to your license application. If no objections are received, your City license could be issued (pending any requirements not completely met) approximately one week past the date given above. *The approved paperwork and City license will then be forwarded to the State of Minnesota Alcohol and Gambling Enforcement Division (AGED). You would then need to contact AGED to obtain your Buyer's Card (NOTE: AGED conducts an on-site inspection for a location that has not previously been licensed to sell Wine On Sale before they'll approve a Buyer's Card. AGED has stated they do not schedule an inspection until the City has completed its review of your application and sent them the approved paperwork). AGED will send you your City license once they have finished their review.*

If objections are received a hearing will be scheduled before a legislative hearing officer. You will receive notice of the time, place and date of the scheduled hearing from the Legislative Hearing Officer. At that hearing, the hearing officer will take testimony from all interested persons and will make a recommendation to the City Council as to whether the license(s) should be approved or be referred to an administrative law judge for further review. The City Council will have the final authority to grant or deny this license application.

Requirements including the following must be met prior to the issuance of your licenses:

- Sign and return one copy of the enclosed license condition affidavit acknowledging the conditions that will be placed on your license(s). A return envelope has been included for your convenience.
- Obtain all necessary building and/or trade permits related to any construction work associated with the establishment of this use, and all required inspection approval(s) related to these permit(s). Only licensed trade contractors authorized to perform work in that trade (e.g., plumbing, electrical, ventilation, etc.) may obtain permit(s) and/or perform work in such trade.
- Provide proof of having obtained a restaurant license from the Minnesota Department of Health (MDH), who may be contacted at 651-201-4500 for information about their licensing process if you have not already done so.
- Contact Kris Schweinler, DSI Senior License Inspector, at 651-266-9110 to schedule the required in-house review of DSI's Liquor License Manual.

If you have any questions, please contact Ms. Schweinler at 651-266-9110, or me at 651-266-9106.

Sincerely,

Jeff Fischbach
