Thank you.

I appreciate it. There are so many cars parked in their yards in much more aggregious manners than mine, amd for the revord - in my opinion it is not hurting anyone. And as everyone knows when the fair is up and running it is a business in this area.

I especially though need to protect myself from spurious intentions if done in regards hiring a contractor to work on my yard.

Have a great weekend!

Hi there,

This appears to have come in via a call to DSI's call center. No way of knowing who did it as it is anonymous. There isn't really a copy of anything to send you; the call comes in and it is generated and sent to the area inspector to go inspect.

Sorry I can't be more helpful,

Joanna

Hi Joanna.

Can I please get copy if the original complaint on this. If it came from the Landscaping company I am looking to work with I really need to know that.

Thank you.
