WHEREAS, the HRA is the owner of that certain real property located in Ramsey County, Minnesota, legally described on Exhibit A attached hereto and made a part hereof (the “HRA Parcel”); and

WHEREAS, Central Towers is the owner of that certain real property located in Ramsey County Minnesota, legally described on Exhibit B attached hereto and made a part hereof (the “Central Towers Parcel”); and

WHEREAS, the HRA Parcel is subject to easements, encumbrances and agreements as described in Exhibit C attached hereto and made a part hereof (the “HRA Parcel Encumbrances”); and

WHEREAS, Central Towers has requested that the HRA grant to Central Towers an easement on the HRA Parcel for ingress, egress, and parking purposes; and

WHEREAS, in exchange, the HRA has requested a reciprocal access easement to allow the passage of vehicles and pedestrians over and through a portion of the Central Towers Parcel as well as certain maintenance obligations from Central Towers of the easement areas and the HRA is willing to grant such easements upon the terms and conditions stated in this Easement Agreement.

NOW, THEREFORE, in consideration of the sum of One Dollar and other good and valuable consideration, the receipt of which is hereby acknowledged, the parties do hereby agree as follows:

1. **Grant of Easements by HRA.** Subject to the termination provisions set forth in this Easement Agreement and the HRA Parcel Encumbrances, the HRA hereby grants and conveys to Central Towers, the following rights, and easements over and across the HRA Parcel:

a. Access Easement. A nonexclusive perpetual easement in common with others to use the HRA Parcel for the passage of vehicles and pedestrians for purpose of ingress and egress to and from the Central Towers Parcel to Wabasha Street as depicted on Exhibit D attached hereto (the “Access Easement”); provided the HRA reserves onto itself the nonexclusive right of continued use of the area covered by the Access Easement.

b. In-Line Parking Easement. A nonexclusive perpetual easement for ingress and egress and in-line vehicular parking of up to six vehicles at a time for use in connection with the Central Towers Parcel as depicted on Exhibit E attached hereto (the “In-Line Parking Easement”). The In-Line Parking Easement shall also include an easement for the installation, maintenance, and replacement of signage (at Central Towers’ sole cost and expense) upon the exterior of the parking ramp located on the HRA Parcel (the “Ramp”) and adjacent to the In-Line Parking Easement for the purpose of identifying the in-line parking for Central Towers’ use.

c. Ramp Parking Easement. A nonexclusive perpetual easement for use of six (6) non-assigned parking spaces in the Ramp at no cost for a term of twenty (20) years from the date of this Easement Agreement (the “Ramp Parking Easement”). Use of the Ramp Parking Easement shall be subject to the rules established by the Ramp operator and the HRA, as those rules are changed from time to time. For the avoidance of doubt, the HRA and Central Towers acknowledge and agree that the Ramp Parking Easement replaces any rights of Central Towers to utilize parking spaces within the Ramp pursuant to Section 5 of that certain Easement Agreement dated December 12, 1997, recorded February 12, 1998, as Document No. 3040342.

d. Reservation of Rights. The parties acknowledge that the HRA owns the Ramp and that from time to time it may become necessary for the HRA to have access to portions of the HRA Parcel in order to make repairs or replacements to the Ramp which may temporarily limit the rights and easements conveyed in this Easement Agreement. Upon fourteen-days’ prior written notice from the HRA or the Ramp operator to Central Towers and to facilitate the making of repairs or replacements to the Ramp, Central Towers agrees the easements granted hereunder may be temporarily limited as required by the HRA in making such repairs or replacements. The HRA and Central Towers shall work together in good faith to allow Central Towers to continue to access the Central Towers Parcel over the HRA Parcel during any such repairs or replacements while accommodating the HRA’s construction and/or maintenance schedule. The HRA agrees to repair any damage to the HRA Parcel caused by such repairs or replacements.

b. Reservation of Rights. The parties acknowledge that, from time to time, it may become necessary for Central Towers to have access to portions of the Central Towers Parcel in order to make repairs or replacements to its building which may temporarily limit the rights and easements conveyed in this Easement Agreement. Upon fourteen-days' prior written notice from the Central Towers to the HRA, the HRA agrees the easement granted hereunder may be temporarily limited as required by Central Towers in making such repairs or replacements. The HRA and Central Towers shall work together in good faith to allow the HRA to continue to access the HRA Parcel over the Central Towers Parcel during any such repairs or replacements while accommodating the Central Towers' construction and/or maintenance schedule. Central Towers agrees to repair any damage to the Central Towers Parcel caused by such repairs or replacements.
