Re: Boxelder Tree at 639 Humboldt Ave.

Gentlemen:

It has been brought to my attention that the above mentioned tree was inspected by an Arborist from the City Forester's Office. Owner of the adjacent property at 6 Elizabeth St. W., St. Paul, MN 55107, was told by the Arborist that the owner of the property next door at 28 Elizabeth St. W. had called to complain about the tree and ask that it be examined for removal. I am the owner of the property at 28 Elizabeth St. W. It is a rental property which was vacant at the time this took place. I wish to inform you that I did not make any calls to any Department of the City requesting inspection or removal of the above referenced tree.

Sincerely,

Roger Hodge
Property Owner
