Because this project was already set up in Legistar I can't just remove the incorrect PIN one and add the correct PIN. Mai will have to enter a TA into Legistar basically stating to delete incorrect pin and reassess correct pin.

Yep I just checked our spreadsheet and it had the wrong pin# - should have been 032823230130 Sorry about that!

Here is the PIN indicated on the original Spreadsheet. I will correct this now.

Hi Tanya,

I saw an error on the assessment roll. 823 Juno Ave should be 1552 Portland Ave. The tree details match 1552 Portland. Not sure how that happened..

The owner at 823 Juno Ave completed the work to have the marked tree removed so that should be deleted.

Please let me know if you have any questions..

Thanks,
Karl
