**Subject:** ROW Hearing Request - Lighting Issue

The property at 400 Bates has a newly installed street light. Not sure if it is a City installed light, but the resident (Mr. Rosenbaum) is requesting that the light be shaded or re-oriented so that it does not shine directly on his property.

Could Traffic Ops look into the issue and touch base with Mr. Rosenbaum?

His phone number is 651-774-1279.

Thanks.
