I would like to contest this assessment as it is unwarranted and handled before this assessment was levied. I did pay the orig notice of \$201 and the area was cleaned to reflect standards within days. The reason it took days was I had listed the old siding on Craigslist and it took a few days for some one to pick it up! I have for good building materials to go to waste!

I have left Richard Kendrowaski a message to discuss this oversight as well.

The city did not participate in the cleanup or disposal of any of the materials. It was all completed by myself and my tenants.

I am unable to show up at the hearing on Oct 20, 2020 as I will be out of the country Oct 13 to Dec 6th.

Sincerely  
Shannon Taggart
