RE: Temporary Family Health Care Dwelling Units

Dear Travis;

At its board meeting of July 13, the Summit Hill Association District 16 Planning Council voted unanimously to support and recommend the passage of the "Ordinance to Opt-Out of the Requirements of Minnesota Statute § 462.3593," per the language sent to district councils with accompanying study information received on May 2.

Thank you for the opportunity to allow our district council adequate time to put this out for public comment and for presenting the facts around this issue and address questions at our Zoning and Land Use Committee meeting and our board meeting.

Yours truly,

Lori Brostrom
Chair, Zoning and Land Use Committee
Summit Hill Association District 16 Planning Council
