RE: Assessment-Multiple Properties

To whom it may concern:

I am writing to appeal the assessments on the following properties: 1069 Ross Ave, 1095 4th St E, 1045 Margaret St, and 1002 6th St E.

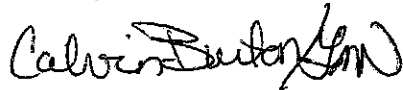

According to the 2019 Street Maintenance Service Program, you are charging for Sealcoating on the Street/Alley at these properties. My question to you is, what are you using the Property Taxes, Gas Taxes, sewer cleaning, etc. that I pay for? It seems to me I receive a bill from you for something every quarter. I hear them talking all over the news there is a surplus of money, so why all the extra charges for everything?

In speaking with a sealcoating company-not working for the city-they told me they charge 18 cents a square foot. The amount you are charging is outrageous. Are you charging this same amount to my neighbors? The roads are full of potholes, in disrepair and I don't feel I am getting this amount of monies worth of services.

Please consider reducing these fees. Should you want to discuss this with me, feel free to contact me at 651-274-1590.

Thank you for your time and consideration.

Sincerely,

Calvin Burton/LMN
