Yes absolutely. I've spent 3 summers cleaning up the alleyway of not only my property but the 3 nearby properties. I have photos to prove this. I never received any letters telling me to pick up my bags of leaves faster. I always waited till I had a truck full until bringing them to the refuse dump

Mr. Norby,

Here are documents related to the clean up done by DSI contractor. If you still want to appeal, let me know and I will schedule you for a Legislative Hearing.

I just received this today that says I owe \$396.00 for rubbish and clean up? I can promise you this was not from anything on my property. My alleyway I have landscaped and

have never left anything laying around back there that I didn't dispose of myself. I even cleaned 3 of my neighbors alleyway areas. Can someone please look into this?
Thank you
