Re: Appeal for Property at 76 Wheelock Parkway East

Dear Mr. Mizrachi-Monti:

This is to confirm that on December 13th at the Legislative Hearing, Marcia Moermond, Legislative Hearing Officer stated that she would like to see a work plan, including timelines, by December 23 for addressing the on-site storage of construction materials, debris/branches and trailer, if still there. She will review the work plan and make a recommendation to either deny or grant your request. If she grants you additional time, a new resolution will go before the City Council reflecting the new date of compliance.

Any questions, you may contact me at 651-266-8563.

Sincerely,
/s/

Mai Vang
Legislative Hearing Coordinator
