Mr. Ellsworth,

I just want to inform you that you had a hearing on a tax assessment back on July 5, 2022. The hearing officer continued the matter to today (2/22/23) to see if there are any similar violations. If not she is going to recommend deletion of this fee. I checked the record and found there was a violation from November 10, 2022 (vehicle) which resulted in inspector issuing a correction order. Therefore, the hearing officer is going to recommend approval of this assessment.

NOTE: there was also a garbage complaint but upon inspector's arrival, the issue was gone. (this one will not count as a violation since it was unfounded)

If you wish to contest this recommendation, you may attend in person at 3:30 pm in Room 300 Council Chambers, 15 W. Kellogg Blvd, St Paul MN 55102. Please note that this information was given at the July 5th hearing as well.
