Subject: RE: 1670 Seventh St E - Requesting Extension

There is a new complaint on the property that there's a blocked sewer line 6/29 & 7/1. James Thomas is looking into this. He went there 7/2 and couldn't get access. Looks like he has a follow-up 7/13. Let them know they need to contact Insp. Thomas, let him in in the next 48 hours. If they get that done – I'll hear a request for an extension next Tuesday (Mai – SR file). They should also be prepared to tell us what they have done so far.

If not, then no extension and it looks like they're back in the VB program.
