Internal note

STP Solid Waste Worker: Check for garbage and recycling carts at this property. Record size and quantity. If there are no carts, deliver one 64-gal garbage and one 64-gal recycling cart **PER UNIT** and record those quantities. Attach notification to the carts explaining why they are being delivered. Thank you!

Internal Note: A letter went out to property owners who had no cart information on file, asking them to report cart status to the City. Owners who did not respond and who do not have carts at the property are getting 64-gal carts delivered.
