December 22, 2014

This is an agreement between Domestic Engineering and Judy Gilbertson. Domestic Engineering will perform the following services at the property located at: 144 Bradley Street, St.Paul, MN.

We will remove excess items from basement and clean and organize to meet fire and health requirements.

We will In Master Bedroom- make windows accessible and a three foot walkway into bedroom and around bed. Homeowner will box excess clothing, shoes, etc, for us to remove to Pod.

We are very careful in our sorting but we cannot accept responsibility for anything inadvertently being placed in trash. If there is valuables in the debris please make us aware of them so we can look for them.

Domestic Engineering will furnish all equipment and supplies.

Homeowner is not responsible for any injuries to employees.

Homeowner will provide a Pod to store these items in and a dumpster for trash.

Estimated cost: \$1400.00-\$1600.00

Work will start on January 3, 2015 and work will be completed on January 5, 2015
