St. Paul City Council
Public Hearing Notice
Ratification of Assessment
File # J2208E
Assessment # 228307
Property Address:
2121 Reaney Avenue East

To whom it may concern:

I'm contesting the above referenced assessment charges totaling \$157.00.

If the following dates are correct, a complaint was filed on my property at 2121 Reaney Avenue East on November 5th, 2021, an inspector saw a truck needing a right front tire on November 9th, 2021, and a notice was issued for me to resolve the violation by November 16th, 2021. The inspector visited my property again on November 17th, 2021, and saw the violation was not resolved.

I called the inspector, on a date I'm not sure of, and spoke with him on the phone. He gave me more time to resolve the violation, which I did within the time frame we agreed to. I believed, based on our phone conversation, there would be no charges if I resolved the violation within our agreed timeframe which I did.

I would appreciate it if the city would waive the Excessive Use of Inspection fees, since I resolved the violation as soon I could and within the time frame the inspector and I agreed to during our phone conversation.

Thank you for your consideration.
