All,

Attached is correspondence being sent as a result of today's re-inspection of the above property.

The second and third floors have been vacated and are currently unoccupied. These floors have not been approved for ANY use and must not be occupied until inspected and approved by this office.

Public hearing is scheduled for this property tomorrow (January 21, 2015) so this is official notice that all deficiencies have been completed.

Let me know if there are any questions.
