Hello Ms. Dodge,

You came to a Legislative Hearing on April 25 to contest the Summary Abatement Order and Correction Notice. At the hearing you were appealing both orders. As issues were discussed there was no mention of the overgrown and dead vegetation being appealed. Ms. Moermond has amended the resolution to add a deadline for those items. The amendment is to remove the balance of the overgrown and dead vegetation by June 16. We will have a staff report on June 20 to see if the issue has been abated.

Questions, please let me know. Thanks.
