NARRATIVE

No ICC from SQD 1927

On 12/27/2014, we (SQD 351T OFF. BOHLEN and OFF. TESSMER) were dispatched to 793 Parkway Dr for a DOA. The call time was 1131 hours. The call comments read that a 70-80 year old female had fallen outside in front of the front door to the residence and that she was covered with snow.

Upon our arrival, we met with the complainant ANDRE GLENN TRUDEAU (DOB: 02/26/1966, C/P: 651-357-2240, 2215 Prosperity Rd., Maplewood, MN, 55109), who stated that he, DOUG JOSEPH SCHNEIDER (DOB: 04/27/1962, C/P: 651-735-4531, 2075 Oakridge St.), and ROBERT WILLIAM NOONAN (DOB: 09/09/1997, C/P: 612-229-9311, 1416 268th Ave NE, Isanti, MN, 55040), had discovered the female, later identified as JOHNELLE ZIMNEY (DOB: 05/15/1953, 651-774-9216, 793 Parkway Dr.) while they were snow blowing the victim's walkway. They had already cleared the victim's driveway and removed the snow that was inside the garage.

TRUDEAU, SCHNEIDER, and NOONAN work for PROPERTY MAINTENANCE CO., and arrived at 793 Parkway Dr. at 1125 hours on 12/27/2014. SCHNEIDER stated that he discovered the body at approximately 1130 hours while he was snow blowing the walkway that leads from the driveway to the front door of the residence. SCHNEIDER said that he called TRUDEAU over when he noticed the body.

DEATH-INVESTIGATION OF A DEATH

TRUDEAU stated that he then used a glove to brush snow away from the victim's face to ensure that it was a body. TRUDEAU then called police.

I observed that the garage door to the residence was most of the way up, and that there was MN LIC 975CXY, a 2007 white Chevrolet Impala, parked in the garage. The front passenger door of the vehicle was open. I also observed what appeared to be a body covered in snow, laying a few feet from the front door of the residence. I observed that her left shoe was laying a few feet away from her body. I did not approach the body at that time. I also noticed a set of stairs leading up to the front door of the residence.

Medic 9 arrived on scene and pronounced ZIMNEY deceased. The medic run number was 39643.

OFF. TESSMER requested that Squad 304 (SGT. GREENE) come to the scene. SGT. GREENE arrived on scene and requested that we get statements from neighbors.

OFF. TESSMER and I then went to 789 Parkway Dr. and spoke with KATHLEEN MARIE SUNWALL (DOB: 08/27/1974, C/P: 651-285-2311, 789 Parkway Dr.). SUNWALL stated that she last saw ZIMNEY at approximately 1200 hours on 12/26/2014. She said that she saw ZIMNEY walking from her front door to her garage. SUNWALL described ZIMNEY as wearing a black jacket and a black stocking cap when she last saw her. She said that ZIMNEY would keep to herself most of the time and that she rarely interacted with anyone. SUNWALL stated that ZIMNEY claimed to be allergic to many things and that she would often see ZIMNEY wearing a medical face mask.

OFF. TESSMER and I returned to 793 Parkway Dr and shared the information with SGT. GREENE. I requested a camera car. Squad 338 (OFF. GRULKOWSKI and OFF. TIMP) arrived and began taking photographs of the scene.

SGT. GREENE advised OFF. TESSMER and I to continue to talk to neighbors. OFF. TESSMER and I then went to 783 Parkway Dr. We were unable to make contact with anyone at the residence.

SGT. GREENE told me to check the house. I attempted to enter through the front door, but the door was locked. I followed OFF. GRULKOWSKI to the back of the house and noticed that the rear sliding glass door on the deck was also closed and locked. While walking to the back of the house, I noticed that there were no footprints or tracks in the back yard as well.

SGT. GREENE requested the homicide unit. SGT. LAMBIE and SGT. A. BOYER responded.

OFF. TESSMER told me that SGT. LAMBIE requested that we get additional details regarding the jacket and stocking cap that the victim was last seen wearing.

OFF. TESSMER and I went back to 789 Parkway Dr. and asked SUNWALL to describe the jacket and stocking cap that she saw ZIMNEY wearing. SUNWALL described the jacket as a "dressier" white or gray jacket with black specks on it. She said that the hat was a black stocking cap that covered ZIMNEY's ears and appeared to be "tight" to her head.

SGT. GREENE then requested that I ask TRUDEAU some follow-up questions. I contacted TRUDEAU, who stated that there were no footprints in the snow anywhere at the residence when he arrived at 1125 hours on 12/27/2014. TRUDEAU said that the garage door was open most of the way when he arrived, and that he noticed a car parked in the garage with the front passenger door open. TRUDEAU stated that he entered the garage and looked inside the vehicle, but did not notice anything in the vehicle. He said that there was snow in the garage up to the back end of the vehicle. TRUDEAU said that he shoveled the snow out of the garage. I asked him if there was any chance that someone could have bumped into the vehicle while they were in the garage clearing out the snow, and TRUDEAU said that no one could have bumped into the vehicle.

OFF. FREIERMUTH requested the medical examiner. VICKI CHRONAKOS, an investigator from the Office of the Ramsey County Medical Examiner arrived on scene. CHRONAKOS examined the body and discovered a yellow piece of paper that was attached to ZIMNEY's shirt that said do not resuscitate.

SGT. LAMBIE told me to make entry into the house in a way that would cause the least amount of damage to the house. I determined that entering through the front door would cause the least amount of damage. I then kicked in the front door to the residence.

Inside the residence, I saw two more yellow pieces of paper at the top of the stairs that said do not resuscitate on them. CHRONAKOS, SGT. LAMBIE, SGT. BOYER, and OFF. GRULKOWSKI continued into the residence past the front entry area.

OFF. FREIERMUTH then closed the garage door.

CHRONAKOS transported the body.

I asked the DATA channel to request a boarding crew to secure the residence. OFF. FREIERMUTH remained on scene to wait for the boarding crew.

NARRATIVE

on 12/27/14 at 1131 hrs Squad 353, Officer Freiermuth, responded to 793 Parkway Dr to assist Squad 351t, Officer Bohlen and Officer Tessmer, regarding a deceased body located by the front door of the residence.

On arrival and after locating the body, JOHNELLE ZIMNEY 05/15/1953, I assisted with talking to neighbors around 793 Parkway Dr to see if they had any information leading to the death of ZIMNEY.

I went to 806 Parkway Dr and spoke to homeowner ERICK SIMOLA 04/21/1977. This address is located a couple hundred feet east of 793 Parkway Dr on the opposite, south side of the road. SIMOLA told me he was home all night and did not see or hear anything suspicious. SIMOLA told me he doesn't even know who lives at 793 Parkway Dr.

I then went to 740 E Larpenteur Av and met with the homeowner, STEPHEN FRANCIS BARRETT 09/09/1970. This address is just to the north and east of 793 Parkway Dr and the yards adjoins each other.

BARRETT told me he has lived at this address for 25 years, and so has ZIMNEY. BARRETT told me he only sees BARRETT outside about six times a year and only in the summer. BARRETT stated each time he does see ZIMNEY outside she's wearing a sweater, mask and yellow dish washing rubber gloves. BARRETT told me a couple years ago ZIMNEY brought him some laundry detergent and drying clothes to use because what he was using smelled bad to her.

BARRETT told me he has not seen ZIMNEY for a few months and did not hear or see anything suspicious last night resulting in her death.

After the Medical Examiner left, I waited for Restoration Professionals to respond and secure the front door. I also closed the overhead garage door, which latched shut and was secure.

While I, Officer Grulkowski, was taking photos of the rear of the home, I was contacted by a neighbor. The neighbor was identified as Marianne Finsness Morsch (11-26-1945) of 734 East Larpenteur / phone 651-356-9626 or 612-5978446. Marianne was at the home with her husband (Paul Finsness) and daughter (Angela Finsness).

I informed the family of the death of their neighbor, Johnelle Zimney. Marianne stated she last saw Johnelle Zimney yesterday, 12-26-2014, at approx 400 PM. Johnelle was walking in rear of Johnelle's backyard. It appeared Johnelle was placing food scraps in the back yard for the animals.

Marianne stated that Johnelle is often home by herself. Johnelle is a person of habit and almost every night Johnelle turns on her interior home lights and closes the rear balcony door curtain. Last night Johnelle did not turn on her lights (as it got dark) and the door curtain did not get completely closed as usual.

Johnelle has lived in the neighborhood for many years. Johnelle was an engineer at 3M and had to quit her job

to the residence following the death of a family member.

While on scene, I contacted Sgt. Lambie in order to obtain information about the death investigation for the family. After Sgt. Lambie provided me with information I was able to locate the victims vehicle and house keys in the victims coat pocket. The coat was located in the victims garage and matched the physical description of the coat a witness stated seeing the victim wearing.

I turned the keys over to the victims brother and other family members on scene.

NARRATIVE

I, Sergeant Lambie, responded to 793 Parkway Drive with Sergeant Boyer. I saw a deceased person lying on the ground near the front steps of the house. The person, identified as Johnelle Zimney, was obviously deceased with snow covering her body. There was fresh snow on the ground with no tracks leading into the house to the front door or the back door. The garage door was three quarters of the way open with the door disengaged. The passenger side front door was ajar. The inside of the vehicle had white sheets covering all the seats. The sheets did not appear to be newly placed in the car. The passenger side front seat had small gravel or dirt on the seat and floor area.

Officer Bohlen obtained information that Zimney wore a dressier type jacket that was white or gray with black specks on it. The jacket was located in the garage on the floor with garbage cans around it. There was an empty liquor bottle by the trash cans.

Medical Examiner Investigator Vicki Chronakos responded to the scene and removed the snow from Zimney. A yellow piece of paper was safety pinned to Zimney's shirt that said do not resuscitate.

Entry was forced to the house through the front door. Two more yellow pieces of paper were on the entry way steps inside the house that had do not resuscitate on it. There was a daily log in the kitchen with foods and medications Zimney had been taking and how she felt. On 12/26/14 she wrote she didn't have an appetite and was not urinating.

I attended the autopsy on 12/28/14 preformed by Dr. Froloff. The preliminary investigation was Zimney was an exposure case. The final autopsy results were waiting on toxicology reports.
